

Benalla's Renewable Energy Transition Plan Launch and Workshop

Tuesday 28th November

7:00pm to 9.30pm

BPACC (57 Samaria Road, Benalla)

Light supper provided

Come along to this workshop to:

- Launch Benalla's Zero Net Energy Transition Strategy—a plan for how all of our energy can come from renewable sources.
- Explore opportunities for energy efficiency, rooftop solar, bulk buy programs, community energy projects and large scale energy projects.
- Establish action groups to help REB drive each of these opportunities—let's make this happen together.
