

Lake Benalla Fresh Water Turtles

**Presentation by
Turtles Australia Inc.**

Benalla Lake has three species of fresh water turtles. Come along to find out about their biology and the threats to our turtle population. There will be a live turtle display and a nest protection demonstration.

Hosted by the Benalla Library

When

Saturday 23rd February 2019

Where

**Sir Edward 'Weary' Dunlop
Learning Centre
(Benalla Library)**

2 Fawckner Drive, Benalla

Time

10 am – 11 am

This is a family friendly event.

Turtles Australia Inc. is a not for profit organisation focused on preserving the populations and habitats of Australian freshwater turtles.
