

MY EXTREMELY LONG WALK FOR CLIMATE ACTION

<http://www.myextremelylongwalk.com/>

April 20th – May 14th 2019

A LOW-CARBON, COMMUNITY-POWERED SOLO WALK FROM MELBOURNE TO CANBERRA

Hi! My name's Shannon. I'm walking from Melbourne to Canberra, to stand against the continued exploitation of fossil fuels and inaction on climate change within Australia. And I'd love your help! The walk will be low carbon, and community-powered, culminating in the delivery of the community's messages to politicians in the capital. Arriving Benalla Saturday 27th April.
